Dear Shareholder

**Sub: - Go Green Initiative in Corporate Governance: Go Paperless.**

The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in Corporate Governance" (Circular No 17/2011 dated 21-4-2011 and Circular No 18/2011 dated 29-4-2011) allowing paperless compliances by companies through electronic mode and same also has been allowed under the Companies Act, 2013. Companies are now permitted to send various notices / documents to its shareholders through electronic mode to the registered email address of shareholders. This move by the MCA is welcome since it will benefit the society at large through reduction in paper consumption and towards a Greener Environment. It will also ensure prompt receipt of communication, avoid loss in postal transit and helps the larger participation of shareholders in **E-Voting**. Keeping in view the underlying theme and circular issued by MCA and provisions of Companies Act, 2013, we are keen to participate in Green Initiative and henceforth propose to send documents like General Meeting Notices (Including AGM), Audited Financial Statements, Directors Report, Auditors Report etc. to the shareholders in electronic form, to the e-mail address provided by you and made available to us by Depositories /RTA.

In case you are holding shares in electronic form and have registered your e-mail id with the Depository, we will send all notices / documents etc at that e-mail id. If you desire to have a different e-mail id registered, please update the same with your Depository Participant (DP) or email at [cs@pasupatitextiles.com](mailto:cs@pasupatitextiles.com) or [ho@pasupatitextiles.com](mailto:ho@pasupatitextiles.com) or [admin@skylinerta.com](mailto:admin@skylinerta.com) specifying your Client ID and DPID.

All those shareholders who have not yet registered their e mail IDs or holding shares in physical form are requested to register their email IDs with NSDL/ CDSL and/ **or** our RTA or send their request to register their e-mail id at any one of the following mail ids along with Folio No and No of Shares / Client Id and DPID:-

- 1) [cs@pasupatitextiles.com](mailto:cs@pasupatitextiles.com)
- 2) [ho@pasupatitextiles.com](mailto:ho@pasupatitextiles.com)
- 3) [admin@skylinerta.com](mailto:admin@skylinerta.com)

Kindly note that if any shareholders still wish to receive a physical copy of all the above mentioned communications / documents, the company undertakes to provide the same at no extra cost to you, if a request in this connection is received by the company or RTA. Please note that these documents will also be available on the Company's website [www.pasupatitextiles.com](http://www.pasupatitextiles.com)

We look forward for your encouraging support in welcoming the "Green Initiative"

Thanking You,

Yours faithfully

## **ANNEXURE TO THE NOTICE**

### **EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**

**THE FOLLOWING STATEMENT SETS OUT ALL MATERIAL FACTS RELATING TO THE SPECIAL BUSINESS MENTIONED IN THE ACCOMPANYING NOTICE:**

#### **ITEM-4**

The Board of Directors of the Company on the recommendation of the Audit Committee approved the appointment and remuneration of Mr. Satnam Singh Saggu, Cost Accountants, to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2023. In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a)(ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is required to be ratified by the Members of the Company. Accordingly, consent of the Members is sought to ratify the remuneration payable to the Cost Auditors.

None of the Directors or Key Managerial Personnel and their relatives is concerned or interested (financially or otherwise) in this Resolution. The Board recommends the Ordinary Resolution set out at Item No. 4 for the approval of Members.

#### **ITEM 5**

The ordinary resolution as set out in item no. 5 relates to approval of material related party transactions by members as required under Sec 188 of the Act and regulation 23 of SEBI (LODR) Regulations 2015. As per regulation 23 of SEBI (LODR) Regulations 2015, related party transaction is said to be material if such transaction(s) to be entered into individually or taken together during a financial year exceeds ten percent of the annual turnover as per the previous audited financial statements of the company. Your board of directors is of the view that during the financial year 2022-23 transactions with related parties namely Shivani Textiles Ltd ( in which Mr. Ramesh Kumar Jain and Mr. Vidit Jain, Directors of the company, along with their relatives are holding more than 2% paid up share capital), Mrs. Vrinda Jain ( Relative of Mr. Ramesh Kumar Jain), Mrs. Vandita Jain (Relative of Mr. Vidit Jain, Mrs. Vrinda Jain and Mr. Ramesh Kumar Jain) and with other Related Parties , may exceed ten percent of the annual turnover of the previous audited financial statements of the company. Hence, Board of Directors recommends the passing of the resolution at Item No- 5 of the Notice as ordinary resolution.

Save and except Mr. Vidit Jain and Mr. Ramesh Kumar Jain (along with their relatives) ,none of the other Director(s)/Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

#### **ITEM 6**

Shri Chander Mohan Sharma aged 65 years, is B. Tech. He has experience of more than 30 years in Textile Industry.

The terms and condition of his re-appointment are as under:

Period:

For the period of 5 years w.e.f. 20<sup>th</sup> December, 2022

Remuneration:

1. Basic Salary:

Maximum 15,00,000/- (Rupees Fifteen Lacs) per annum, with such increment(s) as may be decided by the Nomination and Remuneration Committee from time to time in accordance with the HR policy of the Company;

2. He shall be entitled to the perquisites, benefits, and allowance as may be decided by Board and / or Nomination and Remuneration Committee from time to time;

3. In addition to above, he shall be entitled for Company's contribution to Provident Fund, leave encashment and payment of gratuity as per the HR Policy of the Company;

4. Overall Remuneration:

The aggregate of salary, together with perquisites, allowance, benefits and amenities payable to Shri Chander Mohan Sharma in any financial year shall not exceed the limits prescribed from time to time under section 196, 197 of the Act read with Schedule V to the Act and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) and enactment(s) thereof for the time being in force);

5. Shri Chander Mohan Sharma shall not be entitled to any sitting fees for attending meetings of the Board or Committees thereof;

6. The perquisites shall be valued in terms of actual expenditure incurred by the Company and shall be evaluated wherever applicable as per Income Tax Act, 1961 or rules made thereunder and any modification thereof.

The above may be treated as a written memorandum setting out the terms of re-appointment of Shri Chander Mohan Sharma under Section 190 of the Act. Details of Shri Chander Mohan Sharma are provided in the "Annexure" to the Notice.

Shri Chander Mohan Sharma is interested in the resolution set out at Item No. 6 of the Notice.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or Interested, financially or otherwise, in the resolution set out at Item No. 6 of the Notice, except as a member of the Company, if any.

The Board recommends the special resolution set out at Item No. 6 of the Notice for

approval by the members.

### **ITEM 7**

The Company has been making investments in, giving loans and guarantees to and providing securities in connection with loans to various persons and bodies corporate (including its subsidiary) from time to time, in compliance with the applicable provisions of the Act. The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty per cent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required to be passed at a general meeting. As per the latest audited Balance Sheet of the Company as on 31st March 2022, sixty per cent of the paid-up share capital, free reserves and securities premium account amounts to INR 17.14 Crores while one hundred per cent of its free reserves and securities premium account amounts to INR 19.23 Crores. Therefore, the maximum limit available to the Company under Section 186(2) of the Act for making investments or giving loans or providing guarantees / securities in connection with a loan, as the case may be, is INR 19.23 Crores. In view of the above and considering the long term business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits. Hence, the Special Resolution at Item No.7 of the Notice, notwithstanding the fact that the same exceeds the limits provided under Section 186 of the Act. The Directors recommend the Special Resolution as set out at Item No. 7 of the accompanying Notice, for Members' approval.

None of the other Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or Interested, financially or otherwise, in the resolution set out at Item No. 7 of the Notice, except as a member of the Company, if any.

The Board recommends the special resolution set out at Item No. 7 of the Notice for approval by the members.

### **Item No. 8**

Mr. Vedit Jain was appointed as Whole Time Director of the Company with effect from 01st April, 2020 for a period of 5 years at the 40th Annual General Meeting of the shareholders held on 30th December, 2020. Mr. Vedit Jain, aged 42 years, is a Bachelor of Science in Economics. He possesses valuable industrial and business experience in textile industry for about 20 years. Taking into consideration the increased business activities of the Company coupled with higher responsibilities cast on Mr. Vedit Jain, the Board of Directors, on recommendation of the Nomination and Remuneration Committee of the Company, at its meeting held on 10th August, 2022, has approved the proposal to increase the salary of Mr. Vedit Jain, Whole Time Director, subject to the approval of shareholders, as set out in the resolution being item no. 8 of the accompanying notice w.e.f. 01<sup>st</sup> April, 2022 for the remaining period of his tenure i.e. upto 31<sup>st</sup> March, 2025.

Minimum Remuneration: Where in any financial year, during the currency of the tenure of Mr. Vidit Jain as Whole Time Director, the Company has no profits or its profits are inadequate, the Company will pay remuneration to him by way of salary, perquisites and allowances as specified in the resolution being item no. 8 of the accompanying notice as minimum remuneration, subject to the limits and conditions as prescribed under Schedule V of the Companies Act, 2013, as may be amended from time to time. Out of abundant caution and in view of the relevant extant provisions of law relating to managerial remuneration, the Company is complying with the provisions of Section II of Part II of Schedule V of the Companies Act, 2013 which prescribes that in case of no profits or inadequate profits, the remuneration can be paid by the Company to its managerial personnel as minimum remuneration within the limits arrived at in accordance with the requirements of the said section II, subject to the following: (i) The payment of remuneration is approved by a resolution passed by the Board and also by the Nomination and Remuneration Committee of Directors. (ii) There is no default in repayment of any of its debts or interest payable thereon. The Nomination and Remuneration Committee at its meeting held on 10<sup>th</sup> August, 2022 has already approved the above remuneration payable to Mr. Vidit Jain, Whole-time Director of the Company. Further, the Company has not made any default in repayment of any of its debts or interest payable thereon. The proposed revision in remuneration above is well in conformity with the relevant provisions of the Companies Act, 2013, read with Schedule V to the said Act and hence approval of Central Government is not required for the above revision in remuneration. Except for the aforesaid revision in salary, all other terms and conditions of his appointment as Whole Time Director of the Company as approved by the members of the Company shall remain unchanged. Considering Mr. Vidit Jain's experience in textile industry, and the trend in the industry, the terms of his remuneration are considered to be fair, just and reasonable and are commended for your approval. Accordingly, Special Resolution is submitted to the meeting for the consideration and approval of Members. None of the Directors, Key Managerial Personnel and their relatives, except Mr. Vidit Jain and his relative, are in any way, concerned or interested in the said resolution. The Board commends the Special Resolution set out at Item No. 8 of the accompanying Notice for the approval by the Members.

### DIRECTORS REPORT

The Directors are pleased to present the 42<sup>nd</sup> Directors Report on the business and operations of the Company together with the Audited Accounts for the financial year ended 31<sup>st</sup> March, 2022.

#### 1. FINANCIAL PERFORMANCE

Particulars	<u>2021-22</u> <u>Rs./Lacs</u>	<u>2020-21</u> <u>Rs./Lacs</u>
Sales and other Income	<b>10340.70</b>	6752.55
Profit / (Loss) before exceptional items and tax	<b>3.47</b>	(775.62)
Exceptional Items	--	388.26
Profit / (Loss) before Taxes	<b>3.47</b>	(387.36)
Payment/Provision for Taxation	<b>(1.69)</b>	(78.78)
Profit after Taxation	<b>5.16</b>	(308.58)
Other Comprehensive Income	<b>(1.37)</b>	(25.33)
Total Comprehensive Income of the year	<b>3.79</b>	(333.91)

During the year under review, the turnover of the company significantly increased by 53.14% as compared to last year, which was hit very badly due to outbreak of COVID-19 pandemic. Even first six months of financial year 2021-22 were also badly impacted by 2<sup>nd</sup> wave of pandemic. In spite of the same, the company's operations have significantly improved during 2<sup>nd</sup> half of financial year. As a result, the company has been able to register nominal PBT of Rs.3.47 Lacs as against loss of Rs. 775.62 Lacs suffered during last year. The improvement in operations have been possible due to significant steps taken by the company towards procurement of new machines and changing product mix to optimize margins. Barring unforeseen circumstances, the company is hopeful that results of financial year 2022-23 are expected to improve significantly.

#### II THE MANAGEMENT DISCUSSION & ANALYSIS

##### Spinning Unit, Dharuhera

The operations were discontinued in September 2016 as cotton yarn operations became unviable. Hence instead of manufacturing own cotton yarn, the company had shifted to job work operations from October 2016 for a third party namely M/s Ganesh Ecospheres Ltd. Under this arrangement, the said company has been supplying polyester fiber and Pasupati has been manufacturing yarn for the said company for which the said company has been making payment of Job Work Charges. However from 15<sup>th</sup> March 2022, the company has discontinued job work operations. Instead, the company had started own manufacturing on Joint Venture Basis with another company but market conditions again deteriorated. Therefore, the company has again shifted to job work operations from August 2022.

##### Knitting & Garment unit, Dharuhera

The production activities of the Garment Division at Dharuhera were badly affected due to COVID-19 pandemic as many garment units were not able to re-start operations after lockdown. The export orders for readymade garments had totally dried up last year. Although, the market opened during the year under consideration, the company started manufacturing and supplying garment but due to Future Group takeover issue pending in Court, the customer did not lift the material already manufactured by the company and even further orders also dried up. However from February/March 2022, the company has been able to procure some export orders, which is positive sign. Besides, the company is making efforts to procure order from other brands. The company is hopeful that the position should improve by end of June 2022 and this unit should be able to operate smoothly.

##### Sewing Thread Unit At Kala Amb, Himachal Pradesh

The operations for this unit have improved significantly after 2<sup>nd</sup> wave of pandemic due to various steps taken by management as stated above. However shortage of labour continues to be cause of concern for the management. In order to improve capacity utilisation, the company continues to outsource grey yarn from open market and also getting the fiber converted into grey yarn on job work basis from outside parties and

subsequently converting the same into value added product. Barring unforeseen circumstances, the operations of this unit are expected to improve significantly during financial year 2022-23.

### **III PARTICULARS OF INFORMATION FORMING PART OF THE BOARD'S REPORT PURSUANT TO SECTION 134 OF THE COMPANIES ACT, 2013, RULE 8 OF THE COMPANIES (ACCOUNTS RULE 2014 AND RULE 5 OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014.**

#### **ANNUAL RETURN**

The annual return of the company has been placed on the website of the company and can be accessed at [www.pasupatitextiles.com](http://www.pasupatitextiles.com)

#### **NUMBER OF MEETING OF BOARD**

During the year, four (4) Board Meetings and four (4) Audit Committee Meetings were convened and held. The details are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013

#### **DIRECTOR'S RESPONSIBILITY STATEMENT:**

#### **EXPLANATION OR COMMENTS ON AUDITORS REPORT AND SECRETARIAL AUDIT REPORT**

Auditors' observations relating to Note no. 24 and 39 as contained in the Main Report under the para 'Basis of Qualified Opinion' are explained hereunder: -

Note 26: The company had repaid to all debenture holders as per scheme sanctioned by Hon'ble BIFR but cheques to the tune of Rs.2.91 Lacs remained uncleared from company's bank. The company preferred to wait for three months for getting the cheques cleared from its bank causing some delay in transferring the unpaid amount to Investor Education and Protection Fund.

Note 41: Although, the company has made representation to the competent authority for payment of compensation at market rate in respect of part of company's factory land acquired by Government of Haryana, the company feels that final decision in this regard may take a very long time and moreover there is

uncertainty about the success of company's representation. Hence, it has been decided that its affect would be given in company's books as and when actual compensation is received from Government of Haryana.

There is no qualification, reservations or adverse remarks made by secretarial auditor in the Secretarial Audit Report.

### **Share Transfer System:**

Shareholders seeking demat/remat of their shares must approach the Depository Participants (DP) with whom they maintain a demat account. The DP will generate an electronic request and will send the physical share certificates to the Registrar and Share transfer Agent (“the Registrar”) of the Company. Upon receipt of the request and share certificate, the Registrar will verify the same. Upon verification, the Registrar will request the National Securities Depository Ltd. (NSDL)/Central Depository Services Ltd. (CDSL) to confirm the Demat request. The Demat account of the concerned shareholder will be credited with an equivalent number of shares. In case of a rejection of the request, it will be communicated to the shareholder. In the case of remat, upon receipt of a request from the shareholder, the DP generates a request and verification of the same is done by the Registrar. The Registrar then requests the NSDL and CDSL to confirm the request. The approval of the company is sought and an equivalent number of shares

are issued in the physical form to the shareholder. The share certificates are dispatched within one month from the date of issue of shares.

## Independent Auditors' Report

To  
The Members of  
**Pasupati Spinning & Weaving Mills Limited**

### Report on the Audit of Standalone Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Pasupati Spinning & Weaving Mills Limited** ("the Company") which comprise the Balance Sheet as at 31<sup>st</sup> March, 2022, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis of Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit, changes in equity and its cash flows for the year ended on that date.

#### Basis for Qualified Opinion

*The company has claimed additional compensation in respect of part of factory land acquired. The additional compensation demand is Rs.614.64 Lacs (including amount upto previous year Rs. 614.64 Lacs), which according to the management shall be accounted for as and when received. Had the additional compensation been accounted for the profit for the year and other current assets would have been higher by the said amount. (Refer Note no. 41 of the accompanying notes to the financial statements).*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

We draw attention to:

a) Note 46 to the standalone financial results, which describes the uncertainties and the impact of Covid-19 pandemic on the Company's operations and results as assessed by the management. Our opinion is not modified in respect of this matter.

b) Note 65 to the standalone financial statements, which states that in the opinion of the management the provision made for debtors is sufficient and the balance debtors are good and recoverable and no further provision is required.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis of Qualified Opinion and Emphasis of Matter section we have determined the matters described below to be the key audit matters to be communicated in our report.

1. The company has material matters under dispute which involves significant judgment to determine the possible outcome of these disputes (Refer Note No. 29 to the standalone financial statements). We obtained the details of the disputes with their present status and documents. We made an in-depth analysis of the dispute. We also considered legal procedures and other rulings in evaluating management's position on these disputes to evaluate whether any change was required to management's position on these disputes.
2. As on 31<sup>st</sup> March 2022, current tax assets and other current assets includes amounts recoverable from government department for which efforts for recovery are being made (refer Note No. 13 & 14 to the standalone financial statements). Our audit procedures consisted of evaluating whether any change was required to management's position on the likelihood of recoverability.

## **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and shareholder's information report are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available. and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and share holder's information report, If, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

## **Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and

design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i)

planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29 to the financial statements;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. *There has been delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. However, by the year end the amount was deposited. - Refer Note 26 to the financial statements;*
  - iv. (a) The management has represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;-Refer Note 60 to the financial statements;  
(b)The management has represented, that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;-Refer Note 61 to the financial statements; and  
(c)Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
  - v. In our opinion and based on the information and explanation provided to us, during the year no dividend has been declared or paid by the company.

**Annexure A referred to in Paragraph (I) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Pasupati Spinning & Weaving Mills Limited on the standalone financial statements for the year ended 31<sup>st</sup> March 2022.**

(i) (a)(A)	The company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
(i) (a)(B)	The company does not have any intangible assets and hence provisions of clause (i) (a) (B) are not applicable to the company.
(i) (b)	All the property, plant and equipment have been physically verified by the management according to a regular program, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies with respect to book records were noticed on such verification. Discrepancies noticed have been properly dealt with in the books of account.

**Annexure “B” referred to in Paragraph (II)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Pasupati Spinning & Weaving Mills Limited on the standalone financial statements for the year ended 31<sup>st</sup> March 2022.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **Pasupati Spinning & Weaving Mills Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

## Notes to financial statements

### 1 Company Overview

Pasupati Spinning & Weavings Mills Ltd is a public limited company incorporated in India and has its registered office in Haryana, India. The company has interests in Fabrics, Bed Sheets, Acrylic Fiber, Cotton and Polyester Blended Yarns as well as Commodity Trading. The company has evolved into one of the most updated, professionally managed and growth oriented textile companies in India.

### 2 Significant Accounting Policies

#### 2.1 Basis of Preparation of financial statements

##### Compliance with Ind AS

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016.

##### Basis of preparation and presentation

The Standalone Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation

##### Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primary functional currency of the company) and rounded off to the nearest rupee lacs, unless otherwise stated.

#### 2.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities. However certain liabilities such as trade payables and some accruals for employee and other operating costs are part of the working capital used in the Company's normal operating cycle, accordingly classified as current liabilities even if they are due to be settled more than twelve months after the reporting period.

#### 2.3 Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

(i) Revenue from sale of products is recognized on accrual basis.

(ii) Interest income from deposits and others is recognized on accrual basis. Dividend income is recognized when the right to receive the dividend is unconditionally established. Profit/loss on sale/redemption of investments is recognized on the date of transaction of sale/redemption and is computed with reference to the original cost of the investment sold.

(iii) Insurance claims are recognized in the books only after certainty of its realization.

#### 2.4 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

#### 2.5 Foreign currency transactions and translation

Foreign Currency transaction are initially recorded at the rate of exchange ruling at the date of transaction.

Foreign currency monetary item (assets and liabilities) are restated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Gain and losses, if any, at the year-end in respect of monetary assets and monetary liabilities are recognized in the Statement of Profit and Loss.

Items denominated in foreign currencies at the year end and not covered by forward exchange contracts are translated at year end rates and those covered by forward exchange contracts are translated at the rate ruling at the date of transaction as increased or decreased by the proportionate difference between the forward rate and exchange rate on the date of transaction, such difference having been recognized over the life of the contract.

Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit & loss statement. The company uses foreign currency forward contracts and currency options to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. Derivative instruments are initially measured at fair value and are re-measured at subsequent reporting dates. Mark to market losses on such measurement are recognized in the profit & loss statement.

## PASUPATI SPINNING AND WEAVING MILLS LIMITED

### 2.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

### 2.7 Employee Benefits

#### (i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

#### (ii) Post-Employment Benefits

##### (a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.

##### (b) Defined Benefit Plans

The present value of obligation under defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government securities as at balance sheet date, having maturity periods approximated to the returns of related obligations. In case of funded plans the fair value of the planned assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on net basis.

(c) Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

### 2.8 Taxation

Income tax expense represents the sum of the current tax and deferred tax.

#### Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

#### Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax asset against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### Current and deferred tax for the period

Current and deferred tax are recognised in profit or loss, except when they are related to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

## PASUPATI SPINNING AND WEAVING MILLS LIMITED

### 2.9 Property, Plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalised if the activities undertaken improves the economic benefits expected to arise from the asset. Cost includes financing cost till the commencement of commercial production, inward freight, duties & taxes, incidental expenses related to acquisition and is net of MODVAT / CENVAT. In respect of major projects involving construction, related pre-operational expenses form part of the value of the assets capitalized.

Expenditure related to and incurred during implementation of capital projects is included under "Capital Work in Progress" or "Project Development Expenditure" as the case may be. The same is allocated on a systematic basis to the respective fixed assets on completion of construction/ erection of the capital project/ fixed assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Assets in the course of construction are capitalised in the assets under construction account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation on amount of additions made to fixed assets on account of foreign exchange fluctuation is provided for over the residual life of the fixed assets.

Depreciation on Assets acquired /capitalised/ disposed off during the year is provided on pro-rata basis with reference to the date of addition/capitalization/ disposal. Lease hold land is amortized over the period of lease.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

### 2.10 Intangible Assets

Intangible Assets are stated at cost less accumulated amortization.

### 2.11 Impairment of Property, plant and equipment and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognised impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

### 2.12 Inventories

Inventories are valued at lower of cost or market price except for waste. Waste is valued at realizable value. The cost comprises of cost of purchase, cost of conversion and other cost including appropriate production overheads incurred in bringing such inventories to their present location. In case of raw materials and stores & spares the cost is determined using FIFO method.

### 2.13 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

## PASUPATI SPINNING AND WEAVING MILLS LIMITED

Provisions in the nature of long term are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

### 2.14 Investment in subsidiaries, associates and joint ventures

Investment in subsidiaries, associates and joint ventures are shown at cost. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

### 2.15 Borrowings.

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

### 2.16 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

### 2.17 Earnings Per Share

Earnings per share is calculated by dividing the Profit after tax by the weighted average number of equity shares outstanding during the year.

### 2.18 Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

### 2.19 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

### 2.20 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

#### (a) Classification

The Investments and other financial assets have been classified as per Company's business model for managing the financial assets and the contractual terms of the cash flows.

#### (b) Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

#### b.1 Debt Instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company's classifies its debt instruments:

##### Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

##### Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

## PASUPATI SPINNING AND WEAVING MILLS LIMITED

### Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises.

### b.2 Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

### (c) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

### (d) Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

### (e) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### (f) Income recognition

#### Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

## 3 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

### 3.1 Property, Plant and Equipments

Property, Plant and Equipments represent a significant proportion of the asset base of the company. The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

### 3.2 Trade Receivables

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at at Balance Sheet date. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

### 3.3 Defined Benefit Plans

The provisions for defined benefit plans have been calculated by a actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

### 3.4 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

### 3.5 Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

### 3.6 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.
