Dear Shareholder

Sub: - Go Green Initiative in Corporate Governance: Go Paperless.

The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in Corporate Governance" (Circular No 17/2011 dated 21-4-2011 and Circular No 18/2011 dated 29-4-2011) allowing paperless compliances by companies through electronic mode and same also has been allowed under the Companies Act, 2013. Companies are now permitted to send various notices / documents to its shareholders through electronic mode to the registered email address of shareholders. This move by the MCA is welcome step since it will benefit the society at large through reduction in paper consumption and towards a Greener Environment. It will also ensure prompt receipt of communication, avoid loss in postal transit and helps the larger participation of shareholders in **E-Voting**. Keeping in view the underlying theme and circular issued by MCA and provisions of Companies Act, 2013, we are keen to participate in Green Initiative and henceforth propose to send documents like General Meeting Notices (Including AGM), Audited Financial Statements, Directors Report, Auditors Report etc. to the shareholders in electronic form, to the e-mail address provided by you and made available to us by Depositories /RTA.

In case you are holding shares in electronic form and have registered your e-mail id with the Depository, we will send all notices / documents etc. at that e-mail id. If you desire to have a different e-mail id registered, please update the same with your Depository Participant (DP) or email at cs@pasupatitextiles.com or ho@pasupatitextiles.com or admin@skylinerta.com specifying your Client ID and DPID.

All those shareholders who have not yet registered their e mail IDs or holding shares in physical form are requested to register their email IDs with NSDL/ CDSL and/ **or** our RTA or send their request to register their e-mail id at any one of the following mail ids along with Folio No and No of Shares / Client Id and DPID:-

- 1) cs@pasupatitextiles.com
- 2) ho@pasupatitextiles.com
- 3) admin@skylinerta.com

Kindly note that if any shareholders still wish to receive a physical copy of all the above mentioned communications / documents, the company undertakes to provide the same at no extra cost to you, if a request in this connection is received by the company or RTA. Please note that these documents will also be available on the Company's website www.pasupatitextiles.com

We look forward for your encouraging support in welcoming the "Green Initiative"

Thanking You,

Yours faithfully

PASUPATI SPINNING AND WEAVING MILLS LIMITED

DIRECTORS REPORT

The Directors are pleased to present the 45th Directors Report on the business and operations of the Company together with the Audited Accounts for the financial year ended 31st March, 2025.

1. FINANCIAL PERFORMANCE

Particulars	<u>2024-25</u> <u>Rs./Lacs</u>	<u>2023-24</u> <u>Rs./Lacs</u>
Sales and other Income	10,175.38	11,017.28
Profit / (Loss) before Taxes	86.33	81.51
Payment/Provision for Taxation	(1.48)	22.94
Profit after Taxation	87.81	58.57
Other Comprehensive Income	18.58	11.26
Total Comprehensive Income of the year	106.39	69.83

During FY 2024-25, the company's turnover declined to Rs. 100.50 Crore from Rs. 107.93 Crore achieved during FY 2023-24. The turnover declined as the company was forced to suspend spinning operations of its spinning unit at Dharuhera due to adverse marketing conditions as the operations became unviable. Had the operation of the said unit continued, the same would have adversely affected the bottom line of the company. The textile sector in general is passing through bad phase for last more than two years. Therefore, the results of the company have also been affected adversely due to overall market scenario but impact on your company is relatively less severe as the company is in value added segment.

II THE MANAGEMENT DISCUSSION & ANALYSIS

Spinning Unit, Dharuhera

As informed last year, the company has discontinued operations of this unit due to adverse market conditions.

Knitting, Garment, Dying & Processing unit, Dharuhera

After COVID 19, the market conditions continue to be grim both on domestic and export front and the company is struggling to procure orders for readymade garments. However, during FY 2024-25, the turnover of this unit has increased to Rs. 395.86 Lacs as compared to Rs. 270.34 Lacs achieved during FY 2023-24. This has been possible as the company procured orders from Vishal Mega Mart. However, the market scenario of readymade garment continues to be sluggish.

Sewing Thread Unit at Kala Amb, Himachal Pradesh

This unit contributes around 90-95% of company's total revenue but the operations for this unit have also been impacted adversely due to overall slugging market conditions prevailing in textile sector. In spite of the adverse market conditions, the unit continues to make profit. If market scenario improves, the operations of this unit will also improve. However, shortage of labour continues to be cause of concern for the management. In order to overcome this problem, the company has prepared a Modernization Plan, whereby some of the machines are proposed to be replace by fully automatic state-of-the art machines, which will reduce the dependence on labour force to a great extent. Further during the year under consideration, State Electricity Board increased the tariff. In order to off set the impact of increased power cost, the company has installed a Solar Generating Plant, which was fully commissioned in February 2025. The Solar plant is working satisfactorily. The company expects yearly saving of around Rs. 300 Lacs in power cost. With the installation of new machines under

Modernization Scheme and working of Solar Plant, the results of this unit are expected to improve significantly in coming years.

Logistic and Warehousing

As inform in last report, the company had amended its Memorandum of Association and included 'Logistic and Warehousing' as a new business segment. The company is having surplus land and building at its Dharuhera unit. Major portion of surplus building has been developed as Warehouse and more area is being developed. During the year under consideration, the company has generated a revenue of Rs. 327.54 Lacs as against Rs. 155.52 lacs during FY 2023-24. The management is hopeful that this segment shall start contributing to the bottom line significantly in following year.

Independent Auditors' Report

To

The Members of

Pasupati Spinning & Weaving Mills Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying financial statements of **Pasupati Spinning & Weaving Mills Limited** ("the Company") which comprise the Balance Sheet as at 31st March, 2025, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis of Qualified Opinion section of our report*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The company has claimed additional compensation in respect of part of factory land acquired. The additional compensation demand is Rs.614.64 Lacs (including amount upto previous year Rs. 614.64 Lacs), which according to the management shall be accounted for as and when received. Had the additional compensation been accounted for, the profit for the year and other current assets would have been higher by the said amount. (Refer Note no. 39 of the accompanying notes to the financial statements).

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to:

- a) Note 60 to the standalone financial statements, which states that in the opinion of the management the provision made for debtors is sufficient and the balance debtors are good and recoverable and no further provision is required.

- b) Note 33(a) to the standalone financial statements, which states that the premises in which stocks of the company valued at Rs.172.16 lacs were lying was sealed on 16th August, 2016. Legal case for possession of material is pending. Therefore, verification of stock could not be carried out. However, in the opinion of the management no provision for any loss is required.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis of Qualified Opinion and Emphasis of Matter section we have determined the matters described below to be the key audit matters to be communicated in our report.

1. The company has material matters under dispute which involves significant judgment to determine the possible outcome of these disputes (Refer Note No. 27 to the standalone financial statements). We obtained the details of the disputes with their present status and documents. We made an in-depth analysis of the dispute. We also considered legal procedures and other rulings in evaluating management's position on these disputes to evaluate whether any change was required to management's position on these disputes.
2. As on 31st March 2025, current tax assets and other current assets includes amounts recoverable from government department for which efforts for recovery are being made (refer Note No. 13 & 14 to the standalone financial statements). Our audit procedures consisted of evaluating whether any change was required to management's position on the likelihood of recoverability.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and shareholder's information report are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available. and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and shareholder's information report, If, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 27 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company - Refer Note 24 to the financial statements;
 - iv. (a) The management has represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;-Refer Note 55 to the financial statements;
 - (b)The management has represented, that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;-Refer Note 56 to the financial statements; and

- (c)Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. In our opinion and based on the information and explanation provided to us, during the year no dividend has been declared or paid by the company.
- i. In our opinion and according to the information and explanation provided to us, the company is using two software for maintaining its books of account. The software used for recording transactions related to marketing of sewing threads has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with. All other transactions are recorded in the other software in which the feature of recording audit trail (edit log) facility was started on 2nd July,2024 and the same has been operated thereafter for all transactions recorded in the software and the audit trail feature has not been tampered with. The audit trail, to the extent recorded in the previous year, has been preserved by the company as per the statutory requirements for record retention.

Annexure A referred to in Paragraph (I) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Pasupati Spinning & Weaving Mills Limited on the standalone financial statements for the year ended 31st March 2025

(i) (a)(A)	The company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
(i) (a)(B)	The company does not have any intangible assets and hence provisions of clause (i) (a) (B) are not applicable to the company.
(i) (b)	All the property, plant and equipment have been physically verified by the management according to a regular program, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies with respect to book records were noticed on such verification. Discrepancies noticed have been properly dealt with in the books of account.
(i) (c)	The title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
(i) (d)	During the year, the company has not revalued its property, plant and equipment (including right to use assets) or intangible assets or both and hence provisions of clause (i) (d) are not applicable to the company.
(i) (e)	According to the information and explanation given to us and the records maintaining by the company no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under.
(ii)(a)	Physical verification of inventory (except material in transit or lying with third party or lying in sealed premises) has been conducted by the management at reasonable intervals. In our opinion, the frequency of verification is reasonable. Discrepancies of 10% or more in the aggregate for each class of inventory with respect to book records were not noticed on such verification. Discrepancies noticed have been properly dealt with in the books of account.
(ii)(b)	In our opinion and according to the information and explanation given to us and records maintained by the company, the total of current assets disclosed in the quarterly return QIS II/FFR I filed by the company with banks are generally in agreement with the books of account of the company.

(iii)	According to the information and explanation provided to us, the company has made investments but not provided any guarantee or security or granted any loans or advances in the nature of loans secured or unsecured to companies, firms, limited liability partnerships or other parties and hence provisions of clause (iii)(a) and (c) to (f) of the order are not applicable to the company.
(iii)(b)	The terms and conditions on which investments are made are not prejudicial to the interest of the company.
(iv)	In our opinion and according to the information and explanations given to us during the year no loans, investments, guarantees and security covered under section 185 and 186 of the Companies Act, 2013 has been given by the company.
(v)	According to the information and explanation given to us, the company has not accepted any deposit or amounts which are deemed to be deposits from the public and hence provisions of clause (v) of the order are not applicable to the company.
(vi)	We have broadly reviewed the books of account maintained by the company pursuant to the order made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of such accounts and records.
vii(a)	The company is generally regular in depositing with the appropriate authorities undisputed statutory dues including goods and services tax, provident fund, employees state insurance, income tax, sales tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect thereof were outstanding as at 31st March, 2025 for a period of more than six months from the date they became payable.
(vii)(b)	According to the records of the company, there are no dues referred to in sub clause (a) which have not been deposited on account of any dispute.
(viii)	According to the information and explanations provided to us, there were no transactions which were not recorded in the books of account and have been surrendered or disclosed as income, during the year, in the tax assessments under the Income Tax Act, 1961.

(ix)(a)	In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
(ix)(b)	According to the records of the company and information or explanation given to us, during the year the company was not a declared willful defaulter by any bank or financial institution or any other lender.
(ix)(c)	According to the records of the company and information and explanation given to us, term loans received during the year were applied for the purpose for which the loans were obtained.
(ix)(d)	According to the records of the company and information and explanation given to us, funds raised on short term basis has not been utilized for long term purposes.
(ix)(e)	According to the records of the company and information and explanation given to us, the company has taken Rs.35.12 lacs from joint venture partner to meet his obligation of their joint venture at the year end. (Refer note 33(b) to the financial statements)
(ix)(f)	According to the records of the company and information and explanation given to us, the company has raised loans on the pledge of 699115 equity shares of the company held in its associate company. The company has not defaulted in repayment of such loans raised.
(x)(a)	According to the records of the company and information and explanation given to us, during the year no money was raised by way of initial public offer or further public offer (including debt instruments) and hence provisions of clause (x)(a) of the order are not applicable to the company.
(x)(b)	According to the records of the company and information and explanation given to us, during the year the company has not made any preferential allotment or private placement of shares or fully, partially or optionally convertible debentures and hence provisions of clause (x)(b) of the order are not applicable to the company.

(xi)(a)	According to the information and explanations given to us, no fraud by the company or on the company by its officers or employees has been noticed or reported during the year.
(xi)(b)	The auditors have not filed any report under sub-section (12) of section 143 of the Companies Act in form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

Annexure “B” referred to in Paragraph (II)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Pasupati Spinning & Weaving Mills Limited on the standalone financial statements for the year ended 31st March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Pasupati Spinning & Weaving Mills Limited** (“the Company”) as of March 31, 2025 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

PASUPATI SPINNING AND WEAVING MILLS LIMITED

Notes to financial statements

1 Company Overview

Pasupati Spinning & Weavings Mills Ltd is a public limited company incorporated in India and has its registered office in Haryana, India. The company has interests in Fabrics, Bed Sheets, Acrylic Fiber, Cotton and Polyester Blended Yarns as well as Commodity Trading. The Company is providing Logistic and Warehousing Services from one of its factory's buildings after renovation thereof. The company has evolved into one of the most updated, professionally managed and growth oriented textile companies in India.

2 Material Accounting Policies

2.1 Basis of Preparation of financial statements

Compliance with Ind AS

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016.

Basis of preparation and presentation

The Standalone Financial Statements have been prepared on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Reporting Presentation Currency

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primary functional currency of the company) and rounded off to the nearest rupee lacs, unless otherwise stated.

2.2 Classification of Assets and Liabilities

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Ind-AS 1 notified under the Companies (Indian Accounting Standards) Rules, 2015. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, twelve months has been considered by the Company for the purpose of current/ non-current classification of assets and liabilities.

2.3 Revenue Recognition

Revenue is recognized based on the nature of activity when consideration can be reasonably measured and there exists reasonable certainty of its recovery.

(i) Revenue from sale of products is recognized on accrual basis.

(ii) Interest income from deposits and others is recognized on accrual basis. Dividend income is recognized when the right to receive the dividend is unconditionally established.

(iii) Insurance claims are recognized in the books only after certainty of its realization.

2.4 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

2.5 Foreign currency transactions and translation

Foreign Currency transaction are initially recorded at the rate of exchange ruling at the date of transaction.

Foreign currency monetary item (assets and liabilities) are restated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in foreign currency, are reported using the exchange rate at the date of the transaction. Gain and losses, if any, at the year-end in respect of monetary assets and monetary liabilities are recognized in the Statement of Profit and Loss.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

2.6 Borrowing Costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

2.7 Employee Benefits

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

(a) Defined Contribution Plans

State Government Provident Fund Scheme is a defined contribution plan. The contribution paid/payable under the scheme is recognized in the profit & loss account during the period during which the employee renders the related service.

(b) Defined Benefit Plans

The present value of obligation under defined benefit plan is determined based on actuarial valuation under the projected unit credit method which recognizes each period of service as giving rise to additional unit of employees benefits entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on government securities as at balance sheet date, having maturity periods approximated to the returns of related obligations.

2.8 Taxation

Income tax expense represents the sum of the current tax and deferred tax.

Current tax

Current tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

2.9 Property, Plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

Expenditure related to and incurred during implementation of capital projects is included under "Capital Work in Progress" or "Project Development Expenditure" as the case may be. The same is allocated on a systematic basis to the respective fixed assets on completion of construction/ erection of the capital project/ fixed assets.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Depreciation on amount of additions made to fixed assets on account of foreign exchange fluctuation is provided for over the residual life of the fixed assets.

Depreciation on Assets acquired /capitalised/ disposed off during the year is provided on pro-rata basis with reference to the date of addition/capitalization/ disposal. Lease hold land is amortized over the period of lease.

2.10 Impairment of Property, plant and equipment

At the end of each reporting period, the Company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognised impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

2.11 Inventories

Inventories are valued at lower of cost or market price except for waste. Waste is valued at realizable value. The cost comprises of cost of purchase, cost of conversion and other cost including appropriate production overheads incurred in bringing such inventories to their present location. In case of raw materials and stores & spares the cost is determined using FIFO method.

2.12 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

2.13 Borrowings.

Borrowings are recognized initially at fair value, less attributable transaction costs. Subsequent to initial recognition, interest-bearing borrowings are stated at amortized cost with any difference between cost and redemption value being recognized in the statement of profit or loss over the period of the borrowings using the effective interest method.

2.14 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand, short-term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible in cash and subject to insignificant risk of change in value.

2.15 Earnings Per Share

Earnings per share is calculated by dividing the Profit after tax by the weighted average number of equity shares outstanding during the year.

PASUPATI SPINNING AND WEAVING MILLS LIMITED

2.16 Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

2.17 Trade Receivables

Trade receivables are amounts due from customers for goods sold in the ordinary course of business. If collection is expected to be collected within a period of 12 months or less from the reporting date, they are classified as current assets otherwise as non-current assets.

2.18 Investments and other financial assets

Financial assets are initially measured on trade date at fair value, plus transaction costs. All recognised financial assets are subsequently measured in their entirety at either amortized cost or at fair value.

3 Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

3.1 Property, Plant and Equipments

Property, Plant and Equipments represent a significant proportion of the asset base of the company. The management of the Company makes assumptions about the estimated useful lives, depreciation methods or residual values of items of property, plant and equipment, based on past experience and information currently available. In addition, the management assesses annually whether any indications of impairment of intangible assets and tangible assets. The management of the Company believe that on balance sheet date no impairment indications were existing.

3.2 Trade Receivables

Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at at Balance Sheet date. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.

3.3 Defined Benefit Plans

The provisions for defined benefit plans have been calculated by a actuarial expert. The basic assumptions are related to the mortality, discount rate and expected developments with regards to the salaries. The discount rate have been determined by reference to market yields at the end of the reporting period based on the expected duration of the obligation. The future salary increases have been estimated by using the expected inflation plus an additional mark-up based on historical experience and management expectations.

3.4 Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits.

3.5 Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

3.6 Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.
